EXPERIENCE ELEGANCE

uPVC windows for every space

We are industry experts in uPVC profile systems, offering high-quality products that adhere to European standards. Our Indian-made uPVC products are known for being best-in-class and cater to a significant portion of the quality market.

Our mission is to passionately serve the quality-conscious market by offering a diverse range of products that seamlessly balance excellence and affordability. Through meticulous design optimization, we create products that epitomize quality, functionality, and aesthetics, all while driving efficiency to minimize costs. We are dedicated to delivering the right product, precisely when and where our customers need it, empowering them to make informed choices and experience unparalleled satisfaction. Our unwavering commitment to superior standards, innovation, and strategic partnerships enables us to not only meet but exceed the expectations of our discerning customers, reinforcing our position as a trusted provider of choice in the market.

Gluven Advantages

- Wide Range
- High-Quality Compound Formulation with Best Quality RMs
- In-Built Gasket Systems
- Shiny Finish
- 100% Lead-Free
- Grill Option
- High Impact Resistance
- Multiple Laminate Options

Sliding Windows

Sliding windows offer a sleek and modern solution for maximizing natural light and airflow. These windows glide horizontally along a track, making them effortless to operate. With a contemporary aesthetic and smooth functionality, sliding windows are a great addition to any home seeking a seamless connection between indoor and outdoor living.

Quality Tested

At Gluven, quality is at the core of everything we do. Our uPVC profiles are engineered with precision using top-grade raw materials, ensuring durability, weather resistance, and impeccable finish. Each profile undergoes rigorous quality checks across multiple parameters—strength, color stability, UV resistance, and dimensional accuracy—before it reaches our customers. Whether for windows, doors, our products stand for reliability, aesthetic excellence, and sustainability.

Test	Standard	Specification	Result
Appearance	EN 12608	Colour should be equal , smooth & flat	Pass
Glossiness	ISO 2813	> 20 GU	36 GU
Colour	ISO 105	L > 93 A 0.1 to 0.8 B 2.4 to 3.1	L 95.87 A 0.38 B 2.8
Hardness	ASTM D2240	> 70 D	73 D
Heat reversion	EN 479	< 2%	1.6%
Heat aging	EN 478	No suface defects occure	Pass
Cold drop impact test	EN 477	< 10% Breakage	Pass
Izod impact test	EN 180	> 20 Kj/m ²	88 Kj/m ²
Charpy impact test	EN 179	> 20 kj/m ²	45 kj/m ²
Vicat softening temparature	EN 306	> 70°C	86°C
Tensile strength	EN 527	> 35 Mpa	32.3 Mpa
Marking	EN 12608	Identification marking	Pass
Dimensions	EN 12608	Should be in tolerance	Pass
Surface flatness	EN 12608	< 0.3 mm	0.1 mm
